

**Finally, sleep soundly every night knowing the person you care about instantly has reliable help if they need it...**

**24 hours a day, 365 days a year!**

- When your loved one is all alone are you thinking...
- What if they fall down?
- What if they can't get to the phone?
- What if they are scared?
- What if there's an emergency like loss of power or a fire?

Your loved one needs something that will give absolute peace on mind and allow them to feel safe and at the same time remain independent.

**Fortunately there's a perfect solution...**

And, it's right here in your backyard. Next Medical Alert is a local trusted Family owned business which has been helping elders and their families feel safe, secure and protected since 2008.

Serving Massachusetts and Rhode Island, our seasoned Professional Master Electrician hand delivers and personally installs each state-of-the-art system ensuring that your loved one can instantly get the exact help they need if a situation arises.

**Your loved one will never be home alone when you are with us!**

We give you the best Medical Alert System at a great value, from a manufacturing leader with over 20 years experience. They will have a highly trained staff of emergency dispatchers standing by 24x7x365. You can rest assured every night knowing that they are never alone because we are a simple button push away should they need help.

**Our expertise sets us apart...**

Discover first-hand how simple it is to make sure your loved one feels safe, secure and protected.
